

Calling All 420 Coaches

1st North/Central American and Caribbean 420 Coaches Seminar & 1st Asia and Oceania 420 Coaches Seminar

Arising from our Class Development Strategy, we plan to hold a Seminar for coaches in the North/Central American and Caribbean areas and in the Asia and Oceania areas.

These have now been arranged and will take place from 5th to 8th of December in Long Beach – California – USA and 23rd to 28th of November in Singapore respectively. The costs of the seminars, accommodation and meals are all being met by the International 420 Class Association and the local International 420 Class Associations. All the coaches need to cover is the transport costs.

The lead coach for the seminars will be Jim Saltonstall M.B.E., whom many of you will know as the ISAF Youth World Sailing Trust Coach at the ISAF Youth World Championships.

Places at this clinic will be limited and so we suggest that applications are made as soon as possible.
