Mr.

**Nino Shmueli**

President

International 420 Class Association

Dear Sir,

On behalf of the Colombian Sailing Federation it is a pleasure to re-introduce the Colombian 420 Class Association as one of the classes currently sailed in our territory. The 420 Class was very active more than 20 years ago and thank to Martha Juliana Acevedo and Carlos Salas it has been reactivated.

The Colombian 420 Class Association is officially the organization running all the local events and regattas of the 420 Class and so will be the main point of contact of the International 420 Class in our Country.

The Colombia Sailing Federation wishes all the success to the class and is committed to support the development of 420 sailors around the country.

Sincerely,

**IRMA LUCIA RUIZ**

President
