Postfach, CH-8024, Zurich  
VAT Number: CHE-308.192.318 MWST

30<sup>th</sup> June 2022

Good morning Mr Massapina,

Thank you for your assistance over the last two months to progress Australian 420 teams with their northern hemisphere regatta entries. We appreciate your efforts during these most challenging times.

When Sydney Harbour hosted sailing for the 2000 Olympics, the world has discovered our amazing Harbour! Over many years our New Years Eve fireworks have continued to showcase this magnificent harbour to the global community.

On behalf of the International 420 Class Association of Australia, members, the Australian 420 families and our sailing community, we look forward to your committee's review of Woollahra Sailing Club's bid to host the 2024 International 420 Class Association World Championships on Sydney Harbour.

With the support of Australia Sailing - our member national authority; the organising committee consisting of the International 420 Class Association of Australia Inc and Woollahra Sailing Club Ltd, look forward to hosting the International 420 community in Sydney, and sharing this most special of venues for a once in a lifetime adventure.

Please feel free to pass my personal contact details to fellow committee members and National Class Associations so we may answer their questions.

Regards,

Campbell McKay  
President
